

WOOD GUNDY

OUR COMMITMENT TO RESPONSIBLE INVESTING

At CIBC Asset Management, we've committed to responsible investing by integrating ESG factors into all of our investment and ownership decisions. By combining financial and ESG risk analysis, we reach a deeper understanding of the investments we make. We believe this helps us better manage risk and identify opportunities to generate sustainable, long-term returns to help make our clients' ambitions a reality.

Signatory of:

We became a signatory of the United Nations-supported Principles for Responsible Investment (PRI) in 2017, to reinforce our commitment to responsible investing for our clients. This commitment guides our approach to managing and monitoring investment products internally and our selection of sub-advisors.

As part of our research and portfolio management process, we have committed to the following six principles:

1	Incorporate	Incorporate ESG issues into investment analysis and decision making processes
2	Be active	Be active owners and incorporate ESG issues into our ownership policies and practices
3	Seek disclosure	Seek appropriate disclosure on ESG issues by the entities in which we invest
4	Promote	Promote acceptance and implementation of the Principles within the investment industry
5	Work together	Work together to enhance our effectiveness in implementing the Principles
6	Report	Report on activities and progress towards implementing the Principles
