

## The Investment Consulting Service (ICS) Program offers clients many benefits:

### Custom-built Portfolios to Suit Your Needs

The Investment Consulting Service (ICS) program allows you to benefit from custom-built portfolios that are tailored to meet your unique investment objectives and risk profile.

### Access To A Wide Range Of Investment Strategies

Together with your CIBC Wood Gundy advisor, you have the ability to build a balanced, diversified institutional-style portfolio at a competitive fee.

### Leadership and Unique Expertise

As a client, you can be confident in knowing that CIBC Wood Gundy is Canada's leader in separately managed accounts. Its rigorous due diligence process ensures that your investment managers are continually monitored for optimal performance.

### Controlled Risk

Through the strategic combination of a broad selection of asset classes, geographic regions, sizes of companies, investment management styles and individual investment managers, your investments benefit from controlled risk.

### Enhanced Potential for Long-term Performance

By engaging multiple investment managers with unique areas of expertise, your investments will benefit from enhanced potential performance in the long-term.

Consideration of individual circumstances and current events is critical to sound investment planning. All investments carry a certain degree of risk. Clients are advised to seek advice regarding their particular circumstances from their tax and legal advisors. CIBC Wood Gundy is responsible for the advice provided to Investment Consulting Service clients by any of the program's investment managers. The Investment Consulting Service program manager, CIBC Asset Management Inc., is a subsidiary of CIBC. CIBC Wood Gundy is a division of CIBC World Markets Inc., a subsidiary of CIBC and Member CIPF.
