

## **The Renaissance High Interest Savings Account**

In today's low interest rate environment, many investors are looking for flexibility, security and higher interest rates; hence the increased popularity of high interest savings accounts. The Renaissance High Interest Savings Account offers a competitive interest rate that lets you make the most of the cash portion of your investment portfolio.

The Renaissance High Interest Savings Account can be held in non-registered and registered accounts, including Tax-Free Savings Accounts. Interest accrues daily and is paid monthly, and you can access your savings at any time without penalty. Offered through CIBC Asset Management Inc. and issued by CIBC, you can be confident knowing that your account is backed by one of North America's leading financial institutions. In addition, the account is eligible for Canada Deposit Insurance Corporation (CDIC) insurance.
